

Which iPad Apps Should I Get For Flying?

Have you recently bought an iPad or are you thinking about purchasing one? Fred Webster, a Boeing 737 pilot for a major airline, has been using an iPad in the cockpit for a few years now. He will show you some of his favorite aviation apps that he uses.

Directions: From Hwy 58, South on Union Ave to Wilson.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
